

MID ATLANTIC MACHINERY PRODUCT INDEX

We represent top manufacturers of metal fabrication equipment and other manufacturing machinery. Explore our complete list of brands below, and contact us today to ask a question or request a quote on machinery for your business.

Duns Number: 557487014

UE ID Number: NGV2F3YAKCN4

CAGE Number: 0une2

TRUMPF Machines & Tooling

TRUMPF offers a variety of machine tools including; Lasers, Punches, Punch Laser Combo Machines, Press Brakes, Tube Laser, Tooling, Automation, Additive Production Systems, and Software solutions.

Makino CNC Machining Centers

Our standards of excellence surpass all other CNC milling manufacturers in the industry. See what all you can do with Makino.

- Horizontal Milling
- EDM
- Vertical Milling
- 5-Axis Grinding

Kinetic Cutting Systems

Kinetic's plasma cutting systems combine traditional plate processing technology with vertical machining functions that can drill, mill, tap, bore and more, we help plate processors eliminate multiple setups.

Vectis Automation - Automated Welding

The Vectis Cobot Welding Tool helps manufacturers boost productivity amid the shortage of skilled labor by reducing the learning curve, setup time, risk, and cost of robotic welding.

INSPECVISION Quality & Inspection Technology

Instantly compare finished parts for accuracy and quality control reporting. InspecVision eliminate hand measuring, provide quick analysis, and gives you the ability to reverse engineer complex parts.

The KNOWLEDGE to CREATE.
The EQUIPMENT to THRIVE.

We are a specialty dealer bringing high quality metal working machine tools from the world's largest and most respected manufacturers to the Government. Leveraging years of experience and the technological ability of our manufactures we are able to find the exact solution to your contract needs.

SHEET METAL

- ARKU
- TRUMPF
- FINISHLINE
- CR Onsrud
- FAB-LINE
- HACO-Atlantic
- Haeger
- InspecVision
- Standard Industrial
- Wysong
- Anver Corp
- Big Steel Rack
- Schmalz
- Virtek
- Weaver Sheetmetal

CUT TO LENGTH

- Cidan
- Coe

METAL STAMPING

- AIDA
- Stamtec
- Magnum Press
- PA Industries

TOOLING & MISC

- Cleveland Punch & Die
- Riteway Brake Dies
- Wila
- Wikus
- ISB Lite/Merlin
- Nitto Kohki
- Press Brake Safety
- Royson Engineering
- The Xtractor
- MetFin
- Nederman/RoboVent

NITROGEN GENERATION

PLATE & STRUCTURAL

- ALLtra
- Kinetic
- FACCIN/Roundo
- GEKA
- Piranha
- Sunrise
- Willis
- Trilogy Machinery
- Daito
- Tecoi

SAWING

- Cosen
- Carif by Mid Atlantic Global
- Daito
- PMI/Pat Mooney
- DoALL
- HE&M Saw
- Scotchman

TUBE & PIPE

- ALLtra
- TRUMPF
- KMT
- Trilogy Machinery

TUBE & PIPE BENDING

- CML/Ercolina
- Transfluid
- Trilogy Machinery

GAUGING

- TigerStop

WELDING

- Miller Welding
- Vectis Automation

METAL WORKING - CHIP CUTTING

- Makino
