MACHINE TOOL CAMP

MTC Extrusion Mills

Auto Tend™
BY MID ATLANTIC AUTOMATION

Automated Press Brake Tending

Compatable With Virtually ***ANY*** Press Brake - Retrofits Available

Already Implemented In The Field With These Brands:

TRUMPF

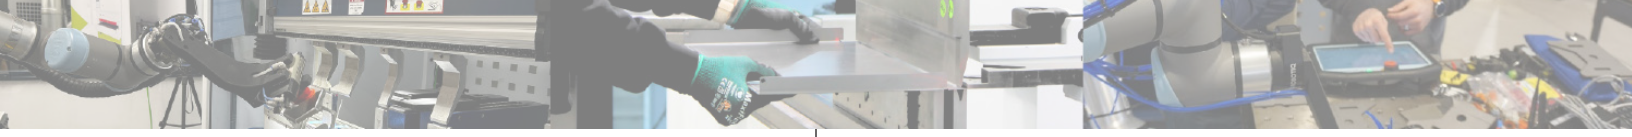

CINCINNATI ACCUPRESS

AMADA COASTONE

Part Example - Candy Dish
Bends - 24
Time - 4:02

FINISHLINE®
BY MID ATLANTIC GLOBAL

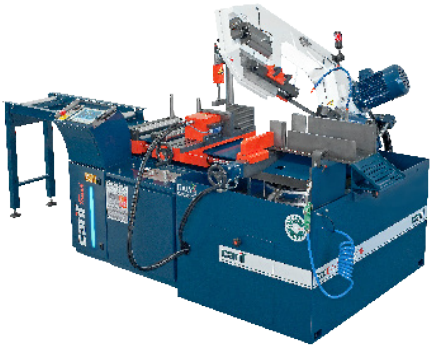

FINISHLINE All-in-one Deburring & Finishing

MID ATLANTIC
GLOBAL
by carif

320 BA CNC Touch

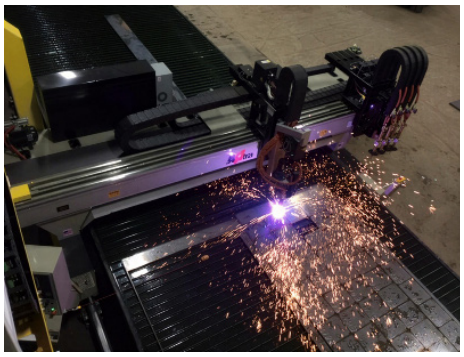

550 BSA VAR-E

HELION™

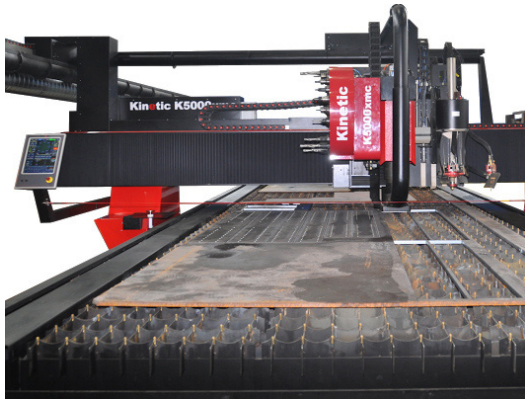

Helion Handheld Laser Welder

ALLtra

ALLtra Plasma Cutting Systems

Kinetic
Cutting Systems Inc.

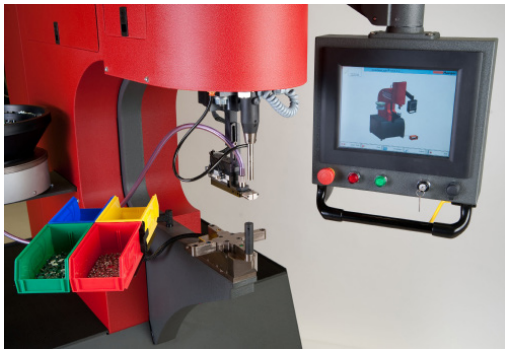

Kinetic Plasma Cutting Systems

TRUMPF

TRUMPF TruArc

Haeger®

Haeger/PEM Insertion Machine
- Northern Ohio -

TEAMMATE
TABLE WELDER

Teammate Spot Welder

FABRAX

FABRAX Metal Pallet Storage Solution

PAT MOONEY SAWS
CUSTOMIZED SOLUTIONS

Nishijimax High Speed Circular Saw Machine

PMI Upcut Saw

FMB Gravity Bandsaw

CIDAN MACHINERY

Cidan Shears & Cutting Machines

Cidan Folder & Bending Machines

VASKI

Vaski Punches and Bar Benders

South-Tek Systems

South-Tek Systems Nitrogen Generators

INSPECVISION

INSPECVISION 2D & 3D Laser Inspection Machine

ROUNDO

ROUNDO Structural Shape Benders

FACCIN

FACCIN Plate and Angle Rolls

STANDARD INDUSTRIAL

Standard Industrial Shears & Press Brakes
- Ohio -

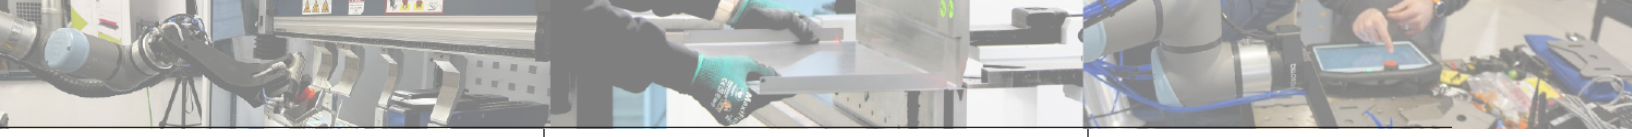

TRILOGY MACHINERY
FABRICATE BETTER

Pre Owned

SERVICE & APPLICATION ENGINEERING

Our factory-trained technicians provide a wide range of repairs including both maintenance and application engineering services. From preventative maintenance plans, to warranty service, to last-minute repairs to keep your shop running smoothly, you can count on us to help minimize downtime and keep your business operating at maximum capacity.

OUR SERVICE INCLUDE:

- Training Service
- Machine Repairs
- Installation
- Programming
- Preventative Maintenance
- Application Engineering

CERTIFIED PRE-OWNED MACHINE TOOLS

We carry a wide range of high quality pre-owned machine tools that can help your shop increase capability without the high costs associated with buying a new machine. Many of our machines are refurbished or come with a factory service plan. All of our used machinery represents a great value when compared to buying brand new equipment.

Visit our website to browse or current list of pre-owned machine tools that could boost your bottom line.

EDUCATIONAL EVENTS

At Mid Atlantic Machinery, we're committed to helping you stay on the cutting edge of manufacturing technology. That's why we offer a variety of events, seminars, webinars, live demos and educational opportunities. Even creating lasting partnerships with technical universities such as Thaddeus Stevens College of Technology to support the future workforce our industry.

Explore the list of upcoming events on our website and RSVP today for any that sound appealing. We look forward to helping you learn the latest tips and tricks that will make your business more successful!
